

Information for the Catahoula-Search and Rescue Workshop of the EALC 11. – 14.07.2013 in Schöneben/Austria

Location: [Training grounds Schöneben/Austria](#)

Address: IRO Training area, Schöneben 39, 4161 Ulrichsberg, Austria

Start Date: Thursday, 11.07.2013 **11:00**

Meeting place: IRO Site

Required Equipment:

- Sturdy clothes, shoes and wet weather clothing
- Treats for the dog: Treats in small containers and/or 3-4 favorite toys.
- For the rubblework: Helmet (we can lend), gloves, torch, steel capped footwear (or sturdy walking/hiking boots).
- For the Man trailer: Trail harness (chest harness), 5m or 10m leash, bags for the Scent articles
- Possibility to take lunch with you (bag)
- Vaccination pass for dog
- The participating dogs must be free of infectious disease and sufficiently vaccinated.

Itinerary:

Start on Thursday:

- Short introduction and grouping
- Introduction of the Training Staff and start of training

Duration: 10:00 – 17:00 (Thursday starts at 11:00)

Sunday: 10:00 – 13:00

- Lunchtime (approx. 1 hour)
- Punctuality would be appreciated, in order to best make use of the time we have on premises.
- Each handler is also a helper for other handlers. This way we can ensure that each dog receives an equal amount of exercise and training.
- The dogs are to be on leash whilst on the premises.

Thursday evening:

Dinner and socializing if requested

Friday evening:

Dinner and socializing.

20:00:

„Everyday life with a working dog – Effects on training?“ Stephanie Lang von Langen (Animal psychologist, Dog trainer, Man trailing Trainer, USAR Dog handler)

„Aptitudes of the Louisiana Catahoula in the Search and Rescue field – Challenges and fascination ;-)" Anke Boysen, USAR Trainer Area, Rubble, Man trailing, Tester for USAR dogs, Character Tests, USAR Dog Handler

Participant information/experience exchange.

Saturday Evening:

Dinner in a local Czech Restaurant, near to the IRO premises.

Pricing:

Thursday 11.07. to Sonntag 14.07.13.
