Sequence of event:

Thursday, 22/05/2014, 10:30 a.m.

Meeting on the grounds in front of the board with welcome and further information on the course

short obedience exercises, socialization

On the afternoon expected beginning of the workshop "cattle drives"

The well-being of the cattle herd has top priority. The sequence in the 4 days will be governed by the rest times of animals and therefore cannot be scheduled just in time. But everyone will have reasonable opportunity to test the abilities of its Catahoula at the cattle and working on it in the time frame. It is expected to give organizations in groups.

In the free time is offered according to demand and instructor capacities the following:

- Ideas to nose work
- Obedience exercises
- Searching for owner
- 100 m recall on time
- Short trails for the mantrailers

Stationary Program:

Friday, 23/05/2014, 19:30 p.m

Members meeting of the EALC in the meeting room at Penzion Podmitrov. Topics on the agenda may be submitted by any member to 15/05/2014.

Saturday, 24/05/2014, 10:00 a.m.

Evaluation of conformatio of the registered Catahoulas by an experienced judger. Would be helpful if the dog know the command "Stand". Anyone who has an exhibitor line, use it.

Location: large area in front of the Pension

If you questions during the event, please do not hesitate to ask!

The participants fee should be automatically payed locally to the EALC organization!

The accommodation costs are to be paid at the reception of the itself.
